

STATIONERY

STERILE FINELINER

DESCRIPTION

Pharmaclean marker with ultra-fine tip and permanent ink, blue color and quick-drying. Suitable for sterile environments. The product is sterilised by Gamma irradiation.

PACKAGING

Each pack contains 20 pieces triple bagged, divided into 4 inner bags of 5 pieces each. Each marker is individually bagged. Each inner bag of 5 pieces is complete with sterilisation indicator, product code and batch number. Each batch is accompanied by the relevant conformity and irradiation certificate.
